OWACHES '61

Hail,

Alma Mater

Hats off to you

Ever you'll find us

Loyal and true

Firm and undaunted

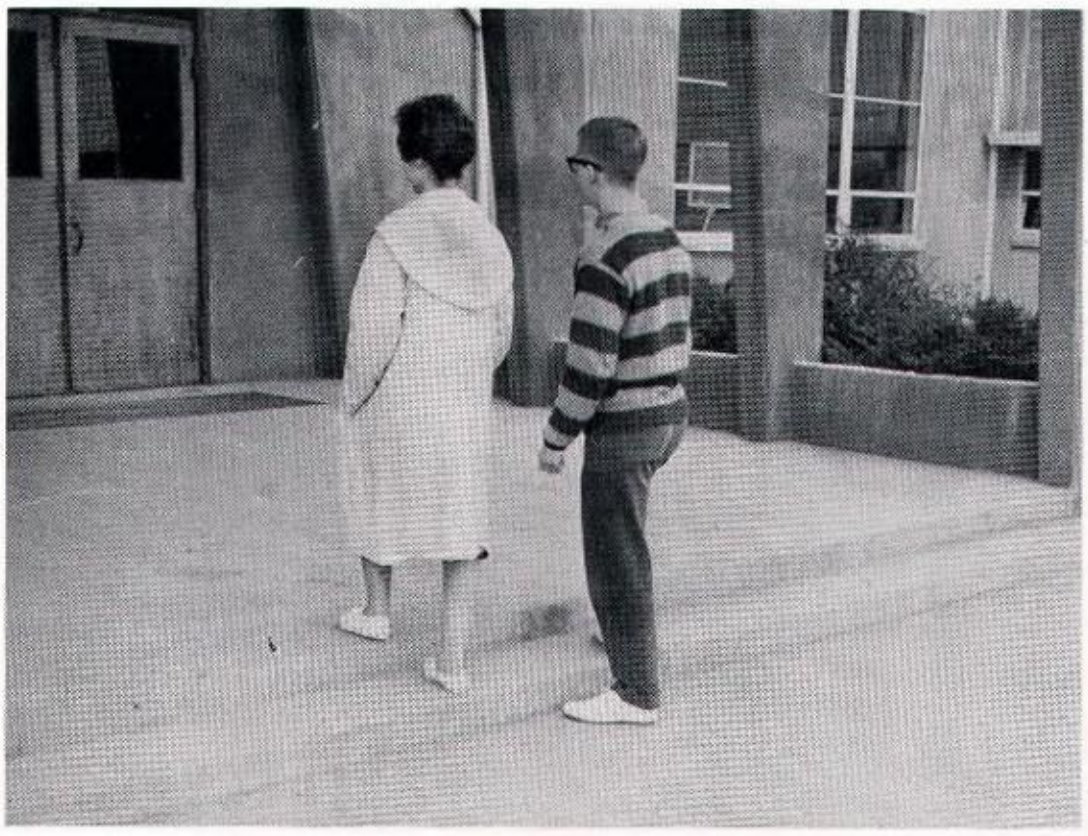
Always we'll be

Here's to the

School we love

Here's a toast

To thee



As Freshmen we enter . . . .

Into the hallowed halls of O.H.S. we came, full of apprehensions, but also full of laughter, expectation, and willingness to share in whatever our school had to offer.

The goal of this 1961 Owaches has been three-fold. We have tried to capture the fleeting moments of the present as they so quickly become a part of the past, in order to preserve them for future enjoyment and meditation. The annual staff has tried to produce an annual of which you can be proud; many new ideas have been incorporated, and many of the past traditions have been retained.

We ask you to remember, as you compliment or criticize, that life is like this book: regardless of how bad you may think it is, it could always have been worse. And so with this, we present to you your 1961 Owaches, in the hope that it will serve as a cherished reminder of a school-year spent at O.H.S.

As Seniors we leave . . . .

To the Students of Ontario High School:

Here, in your 1961 Owaches, you have an excellent record of the school year 1960-1961. As the years go by this book will become increasingly important to you as a source of information about your schoolmates during this period of time in your life.

High school days should be considered most important. It is here the foundations of a later life are started and what you are depends much on what you do now. Your Owaches is a story of the opportunities that have been available to you.

My best and most sincere wishes to all of you for much success and happiness in the days ahead.

Robert McConnaha

Seated, first row: Bob Shiraishi, Bill Peterson, Alice Sakano, Ann Keller, and Glenn Anderson. Second row: Richard Takao, Terry Ann Bell, Joyce Dixon, Rose Ann Sato, Sharon Kariya, Dianne Spencer, and Victor Takao. Third row: Larry Tuttle, Doug Holladay, Jerry Taylor, Fred Sargent, John Flynn, and Butch Ogawa.

The governing body of O.H.S., otherwise known as the Student Council, consisted of the five student body officers, the President and one Representative from each of the classes, and all the club Presidents.

The accomplishments of this year's student council have been noteworthy. At the beginning of the year they secured glass backboards for the Athletic Department, and established the rules for the after-game dances. For the first time a school survey was taken to determine the students' knowledge concerning the functions of student council. Then a large step was taken when, through the suggestions of the student council and approval of the student body, the constitution, was revised. The annual Trash-Clash between Nyssa and Ontario was also organized by the student council and was held in April.

CLASSES

To be a good leader, one

BUTCH OGAWA "The greater the challenge, the greater height to which he rises."

Shy one minute, boastful the next, Butch Ogawa has won many friends. Although he may seem mischievous at times, he is always ready for a good laugh. When things are tough, Butch doesn't let it bother him. One can depend on him to come through. Butch is well-liked by everyone. He is the President of Boys' Federation and has won the respect of all his friends. In sports Butch is very dependable. He has the ability and puts all he has into the game. He was co-winner of the unsurpassed football player award.

DIANNE SPENCER "Consistent effort to achieve her desired goal."

As President of Girls' League, Dianne Spencer has expertly overcome any difficulty that has confronted her. In the eyes of her classmates she has proved to be a fine leader and an enterprising student. Always maintaining an excellent grade point average, Dianne has gained the respect and admiration of those around her.

LEO JACOBS "Herein lies the qualities of leadership."

Leadership is one of the best qualities one can possess, and Leo Jacobs possesses it. Leo is the ideal student to any teacher. He is open-minded and brings forth new ideas. He puts forth an honest effort and applies himself well in anything he does. Because of his outstanding ability, Leo has had the honor of being President of National Honor Society. Besides being a good student, Leo is co-operative in all other school activities, including sports. With his personality, responsibility, and ability, Leo will achieve high goals.

must be a good follower

ALICE SAKANO "Ability to cope with all situations."

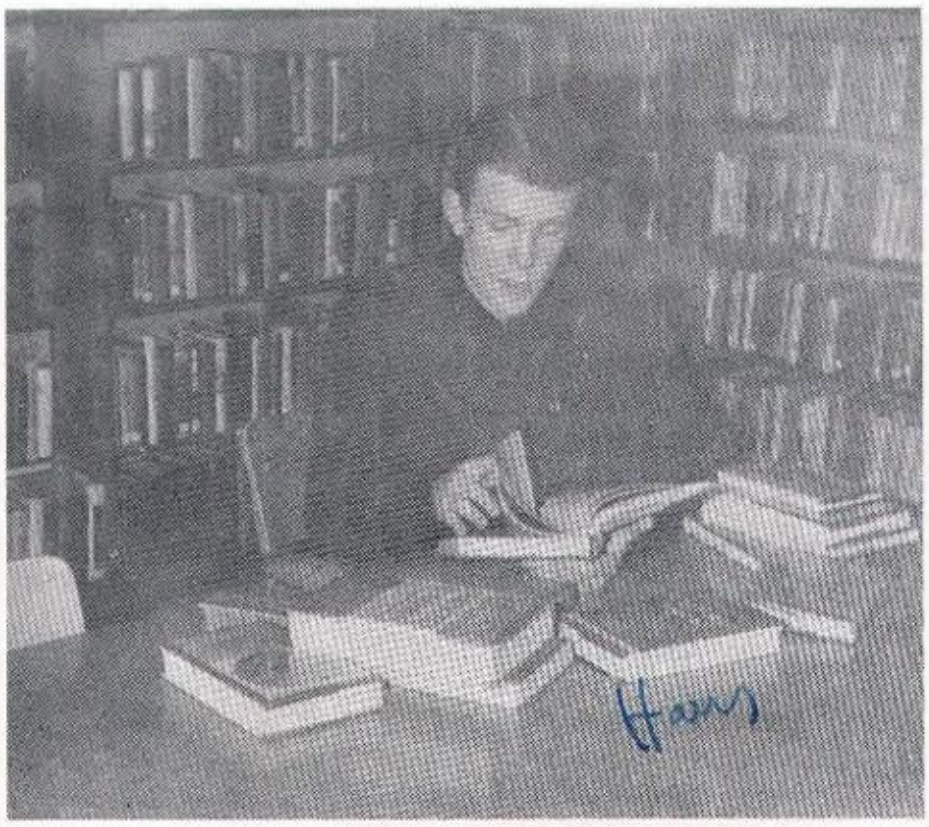
A little girl with a big personality is Alice Sakano. As a varsity cheerleader and student body Secretary, Alice has shown her ability as a leader. One might say she is a model student for those around her. As a member of National Honor Society, she is cooperative and always "on the ball." It takes a little extra something to be a leader, and through her appearance and personality, Alice has that little extra something.

BOBBY SHIRAISHI "One who is reliable to the utmost."

Always smiling Bobby is a person everyone can't help but like. To the girls he is known as a gentleman; to the boys he is known for his dependability and honesty. He is liked by the teachers because he cooperates to the fullest. Holding the office of ASB Vice-President, Bobby has proved himself worthy of this honor. Bobby is a dedicated athlete and was the co-winner of the unsurpassed football player award. Wherever he goes and whatever he does, he will find much success.

ANN KELLER "A winning personality even under adverse criticism."

Although busily working at the job of ASB Treasurer, Ann Keller has had time for other activities. Her enthusiasm and personality have blended well with her job as varsity cheerleader. Ann is a hard worker and puts all her effort forward. She has had the coveted honor of being on the Prom court, which she deserves. A smile for everyone, Ann is a wonderful person to be around.



For the past four years Ontario High School has been the host for an exchange student from Europe. Last years Seniors, not wanting to break a tradition of our school, worked diligently to raise the funds necessary to sponsor an exchange student for the '60-'61 school year.

They did a commendable job and the students of Ontario High were privileged to have Hans Schwesig from Kellinghusen, Germany, with us this year.

Hans is tall and blond, and his smiling personality and witty humor have won him the admiration and respect of our student body and faculty. His inquiring mind and well rounded personality make him the ideal exchange student.

Together, this year, we have tried to exchange ideas and customs, and through this exchange we hoped to have become more cosmopolitan in our thinking. Together we have had a very successful and enjoyable year, and the annual staff and student body wish to express their gratitude and thanks to Hans.

These swingin' cats
Of Ontario High,
Have completed four long years
And now say goodbye.

In the year '57
They made the scene,
To Ontario High
Such spirit did they bring.

Their sophomore year
Which went by so fast,
Ended with a class picnic
Oh what a blast!

Then came responsibility
They took it in their stride,
Their Jr.-Sr. prom
They look back on with pride.

Big seniors at last
It was finally their fate,
To work hard toward the day
When they would graduate.

These seniors, you see
Have really been swell,
And hope next year's class
Will do as well.

Oh, to be an upper classman!
A great goal indeed,
By this fair class
Was finally achieved.
Their first two years
Were filled with fun,
But they soon found for juniors
There is much work to be done.
To finance the prom
They put on a class play,
And also worked hard
Bringing after-game dances our way.
They are well up the ladder
In this rat-race called school,
And next year the very top spot
They will rule.

Twas the twelfth of September
And all through the town,
Came one hundred sev'ty four freshmen
To Ontario High bound.
These poor lower classmen
Were not very pleased,
Those dignified seniors
Oh my! How they teased.
Being so swayed
By the changes profound,
These frosh found themselves
On a merry-go-round.
So this is their story
At least up to date,
They hope for the future
But for that they must wait.

The gavel sounded and the meetings were called to order. Each month a happy girl left with the "Girl of the Month" bracelet, and a beautiful red rose. President Dianne Spencer had the girls of this group take part in car washes, the furnishing of Christmas baskets (which the Senior-Sophomore girls won, enabling them to wear jeans for one comfortable day), a delightful Christmas program, a Papa's party, a Mother's tea, and many other activities that were accomplished in the busy and memorable year of 1960-1961.

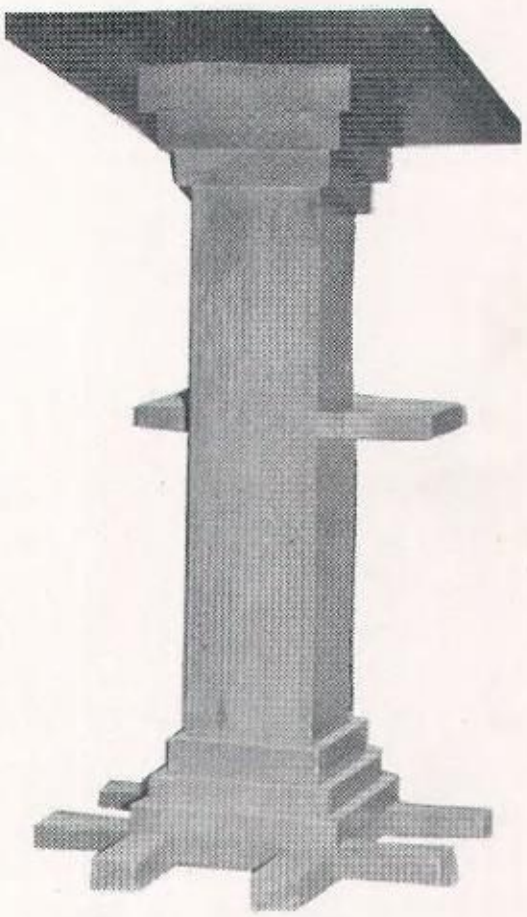
While each girl belongs to Girls' League, every boy is a member of Boys' Federation. The humorous president, Butch Ogawa, presided over the meetings which featured such speakers as Hans Schwesig, the foreign exchange student, Dwight Sargent, and Harmon Killebrew, just to mention a few. At times they were entertained by comical films that delighted them for many days after, and brought forth laughter while they were being shown.



Annual Staff

Problems, Problems was the favorite song of the OWACHES staff at the beginning of the school year. But after weeks of questions, the annual staff dug in and met deadline after deadline.

In order to hold the memories of this past year and to capture the fine incidents of today, we have endeavored to compile a short history of the happenings at Ontario High School during the 1960-1961 school year.

Hoping that you will enjoy this yearbook for years to come, we sincerely dedicate this annual to all students and teachers of O.H.S.

Honor Society has existed in O.H.S. for seven years. Those who are in the club must maintain a 1.5 grade average and be ambitious and scholastically fit. They must strive to gain the goals of character and leadership for the future.

The members of Honor Society cleaned the trophy case, and gave a Thanksgiving dinner to a needy family. One of the highlights of this club was its participation in Open House during National Education Week.

"A" Choir

A variety of music was sung by the "A" choir at community functions, concerts, and school affairs. Being an "A" choir, naturally they worked to better the choir in order that the school would be proud of their accomplishments.

Points were observed and at times, much to the dismay of the students, points were deducted. The accompanists were Joann Hughes and Janice Gant.

Good luck in the future. Marilyn

"B" Choir

Beginning singers found themselves separated from the "old pros" for the first time. Under the guidance of Mr. Bartholomew, the "B" Choir members became acquainted with the world of music and its rules.

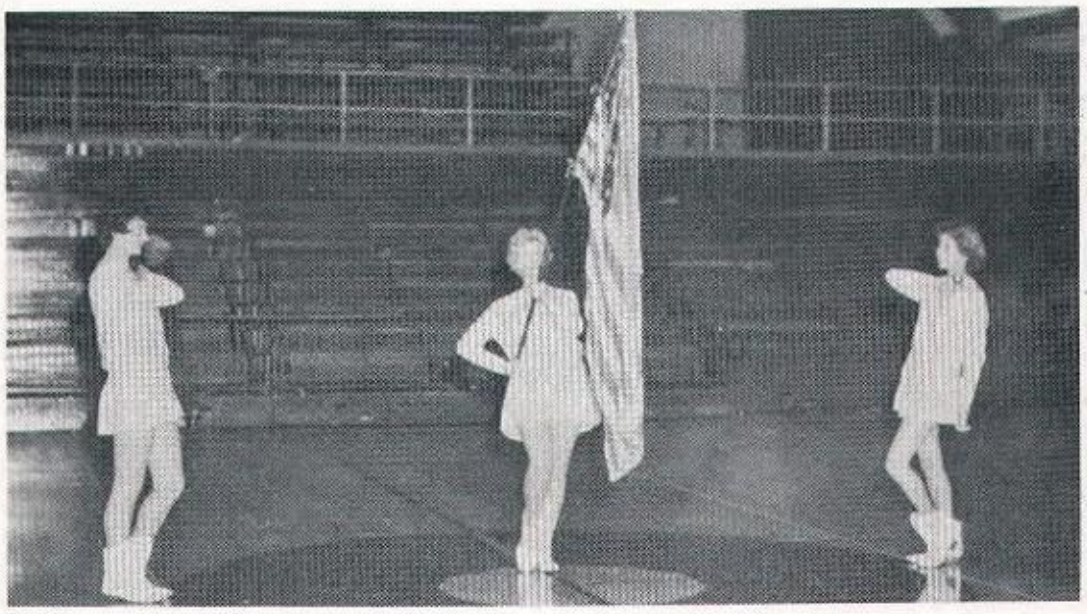
The members of this beginning choir gained valuable experience from their numerous performances at various functions. The accompanist for this choir was Cheryl Hull.

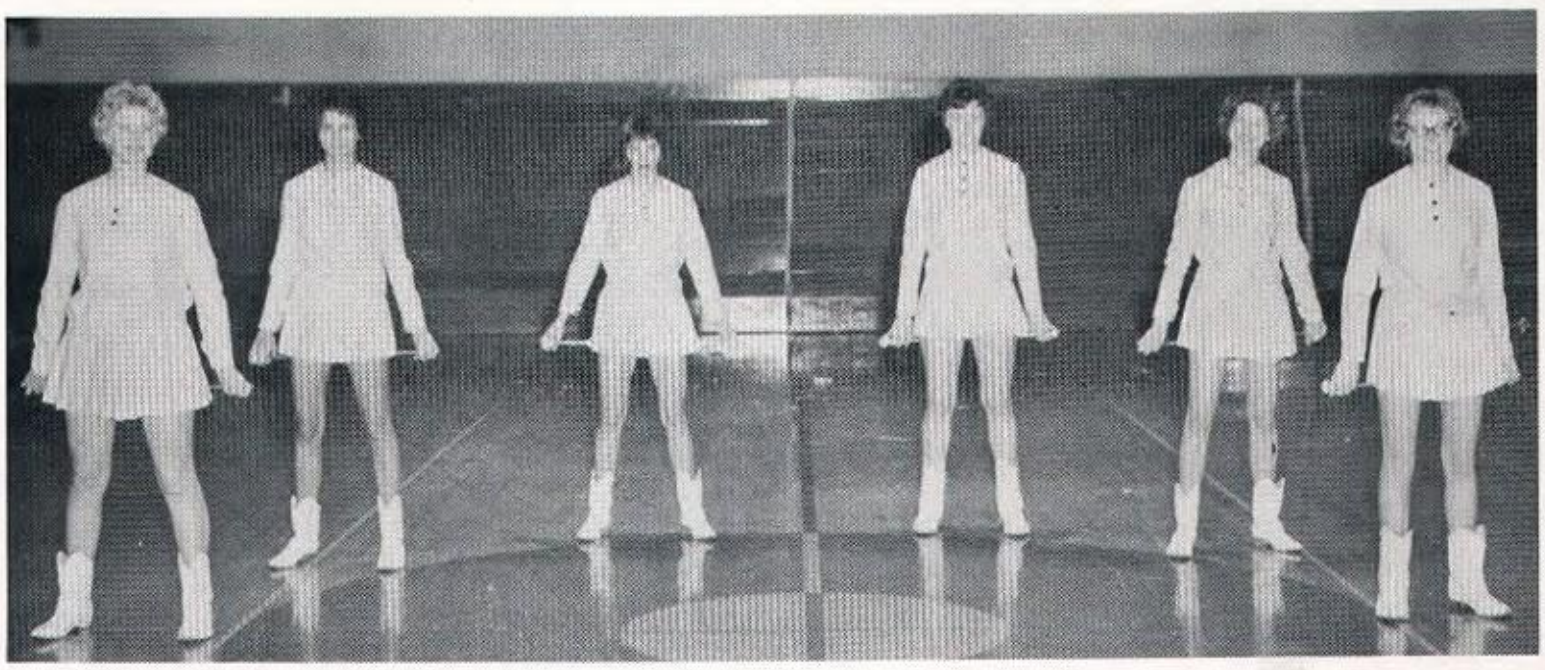
Band

The Band members found themselves in step with the modern world of today. Mr. Clauser, the new band director, strove for perfection and the band tried hard to live up to his high expectations. Progress seemed to be the order of each day, and Mr. Clauser put in extra time and work in order to attain his goals. The marching band performed at several various functions, among which were: football half-time and pre-game shows, out-of-town parades, and an S.R.V. festival in Emmett. The concert band also did their share of entertaing at many community and school events.

The officers of this musical society found themselves with many and difficult tasks to perform. Pictured from left to right: Ricky Cooper, Reporter; Dennis Lien, President; Tommy Bean, Vice-President; Whit Jones, Treasurer; Chuck Watson, Property Man; Judy Attebury, Drum Majorette; and Charles Clauser, Band Director.

Majorettes





Originality, co-ordination, and determination were the marks of this year's majorettes. Besides adding color to the marching band's performances, the majorettes performed on their own during basketball season and successfully presented a variety of half-time routines. They also presented the flag at the home games.

Tigers Capture S.R.V. Conference Crown

The Ontario Tigers, after 11 long years of near misses, finally brought home the bacon. Under coach Dar Mathewson for the second year, the Tigers again had another successful season. Hard tackling, good blocking, and fast running enabled the Tigers to attain their goal. S. R. V. Champions of 1960.

Ontario began its gridiron wars against the powerful Meridian Warriors knowing that the victor might possibly be the eventual Champion of the S.R.V. Conference. Ontario scored its touchdown in the first quarter on a 25 yard pass from Bob Shiraishi to Gary Pearson. The rest of the game was a defensive battle ending with a pass interception by Bob Hale deep in Ontario territory in the last few seconds.

Ontario's first home game was a disappointing 14-12 loss to the Caldwell Cougers. Ontario Scored first in the opening quarter on a 39 yard dash around left end by Shiraishi. Going into the last quarter Ontario was in the lead 12-7 by virtue of Shiraishi's brilliant broken field return of a Caldwell punt. However Caldwell managed to move the ball 60 yards in 13 plays to score the winning touchdown.

In their second tilt the Tigers stepped out of the conference to play a game with the tough Nampa Bulldogs of the S.I.C. After a rough see saw battle which saw two Ontario players injured, the Tigers found themselves on the short end of a 19-12 score.

The Tigers finally began to click in their second conference game. Good line blocking, mixed with outstanding downfield blocking and hard fast running, were all too much for the outclassed Wolverines. Led by Shiraishi, Ogawa, and Hale the Tigers pushed across 6 TD's but once again merely went through the formality of trying for an extra point.

Gary (Red) Pearson puts the stop on pirate runner in 33-6 Ontario win.

The Tigers, after a poor first half which saw both teams scoreless and after a few choice words from coach Mathewson at halftime, finally began to roll in the second half. Shiraishi scored the first TD on a 10 YD. run after setting up the touchdown on a 55 YD. dash from scrimmage. Nyssa tied the score early in the 4th quarter but Terry Baker came right back to salt away the victory on a 5 YD. plunge. Then after 12 previous tries Ontario finally made the P.A.T.

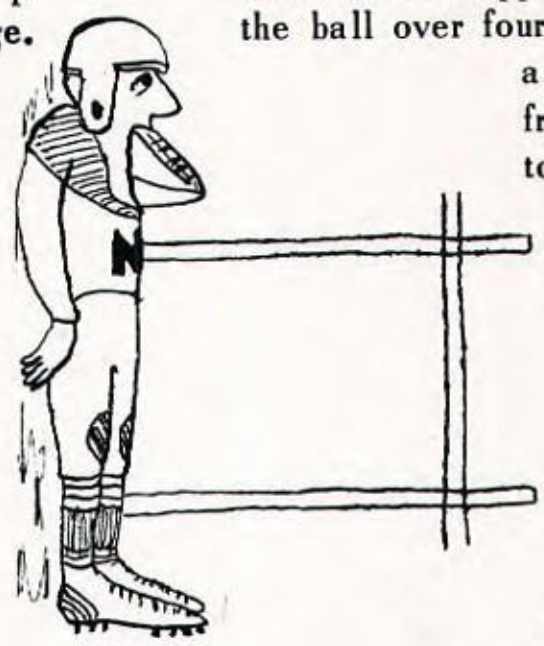
The extra point once again proved to be Ontario's downfall as the Tigers lost their only conference game to the Emmett Huskies in the 2nd annual Homecoming game. Both teams sustained long drives in scoring their touchdowns, two of Emmett's being set up by Tiger fumbles. Ontario star Bob Shiraishi was hurt on the try for extra point after the last Tiger T.D. and was lost for the remainder of the season.



The Tigers made it four conference games in a row with an easy victory over the Payette Pirates. Once again the fancy running of unsurpassed award co-winner Bob Shiraishi was too much for the opposition. "Little Abe" carried the ball over four times himself and passed for a fifth TD. Payette, outmanned from the first, finally managed to score in the last quarter.

Ontario closed out its season in impressive style by beating the last place Parma Panthers 47-0. Outstanding running and passing performances turned in by Ogawa, Hale, Baker, and Penn and magnificent catches by Pearson and Peterson were just too much for the Panthers. Building up a 33-0 halftime edge, Ontario coasted to its victory.

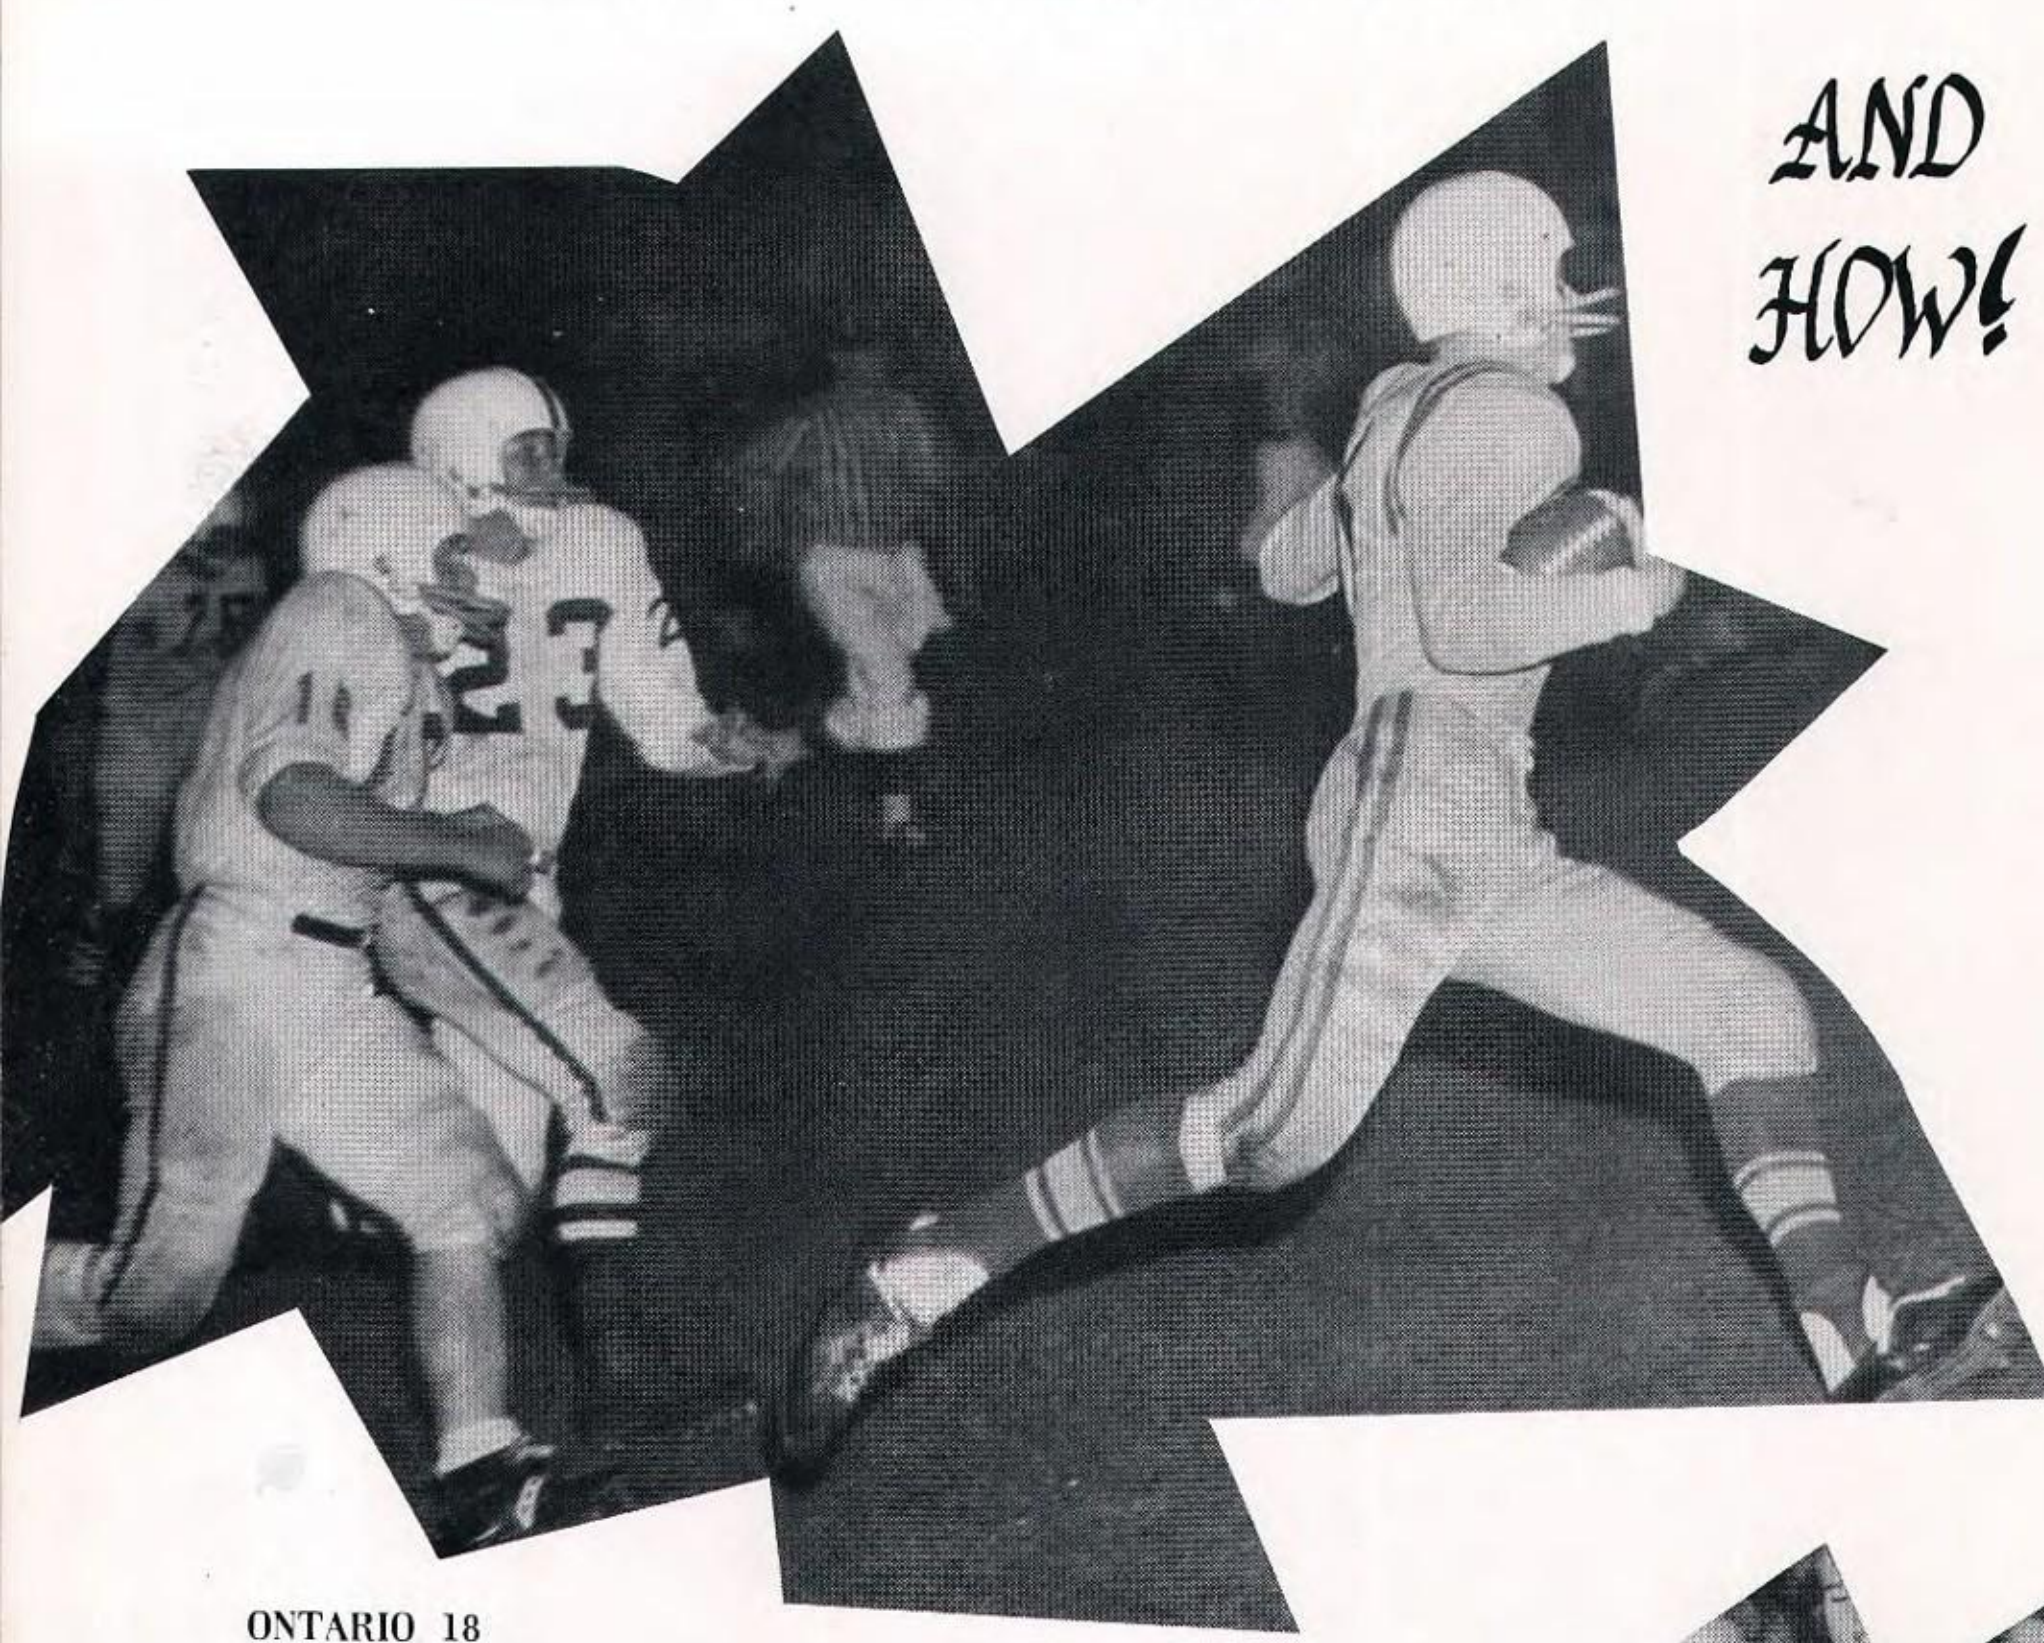
Did We Beat Vale?

AND HOW!



ONTARIO 18
VALE 6

Because of the loss of Tiger Star Bob Shiraishi, many people had conceeded the game to the always powerful Vikings. They didn't know what this game meant to the members of the team, however. Each player had promised Bob that we would beat Vale and go on to take the S. R. V. Championship. Terry Baker started the scoring with a 70 yard touchdown run in the first quarter and he added another on a 5 yard run in the third quarter. Vale also had scored a touchdown in the third period and were driving for a second in the last few minutes of the game but were held by the Tiger defense on the 3 yard line. Baker brought the ball out to the 10 on a quarterback sneak and on the next play Butch Ogawa, who had been hurt earlier in the game, took off on a 90 yard touchdown run behind beautiful blocking to nail down the first Tiger Victory over Vale since 1956.

Once again the mighty Tigers from Ontario upheld the tradition of winning the S.R.V. basketball championship. Since 1948, the Tigers have been champions or co-champs eleven times.

Things didn't look too promising after the first few games of the season, however. Ontario dropped six of their first seven non-conference games against the roughest of opposition. But once league action started it was a different story. The Tigers started off with a bang by winning their first six games before losing to co-champ Emmett by one point on Emmett's floor.

In the return engagement on Ontario's court the Tigers proved who was boss by smashing the Huskies 61-42. The next night they closed out the season against Meridian with a 71-62 victory. These victories left Ontario with a 13-1 conference record and 14-7 over-all.

Coach Bob Feasel commented at the end of the season on how much he had enjoyed working with the team. He said it was one of the better, if not the best, teams he had coached in his four conference winning years at O.H.S. Also it was the highest scoring team in Ontario's history.

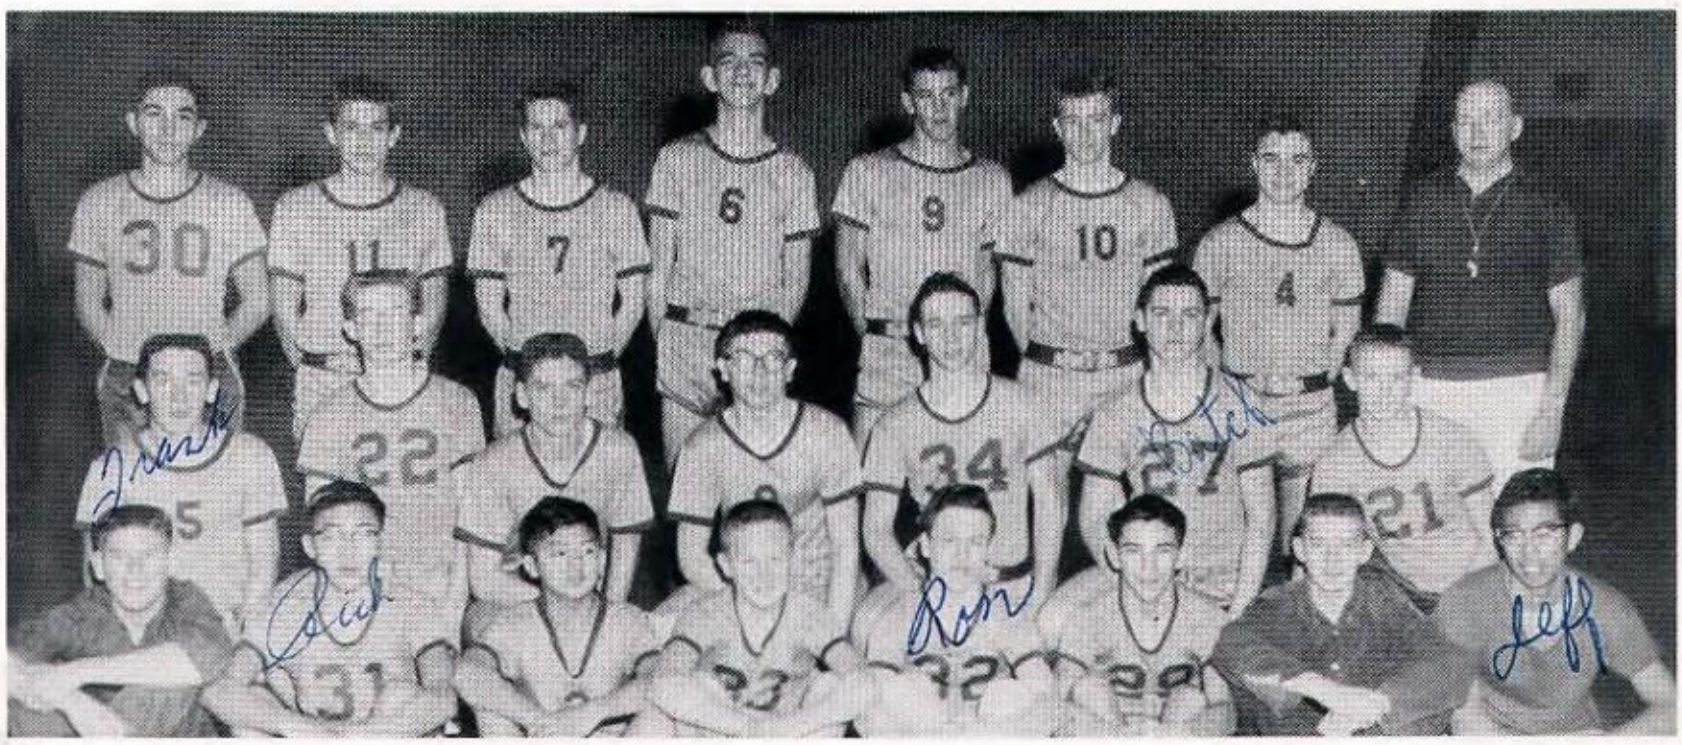
The Ontario J-V's, under the expert tutelage of Ed Aspitarte, again closed out an impressive season with a 15-9 record.

The Frosh-Soph, stressing fundamentals and building for the future, also put together a respectable record of 7-12 under Coach Dar Mathewson.

Frosh-soph gain experience



Top: Gary Findley, Bob Ragsdale, Al Moore, Jack Crowell, Larry Marostica, Bob Campbell, Rick Cooper, and Coach Mathewson. Middle: Frank Krasznavolgyi, Don Reay, Dale Kartchner, Chuck Miles, Wayne Taylor, Hal Roach, and Craig Walker. Bottom: Mgr. In its second year as a major sport at Ontario, the wrestling team under Cal Yasumiishi, had a very fine season. With the added year of experience the wrestlers attained and the effort and desire they exhibited this season the coach is looking for winning teams in the future.

One outstanding example of Ontario's future wrestling hopes is Vic Takao. Vic took second in the Boise Invitational Meet, first in the Fruitland Tournament, and first place in the district meet.

Third row: Leo Jacobs, John Flynn, Doug Little, Fred Sargent, Terry Baker, Earl Blackaby, Ray Winegar, Ron Crowell, Coach Dar Mathewson.

The Ontario Tiger baseball team seems destined to help fulfill the prophecies concerning all sports at O.H.S. for this school year. With the football and basketball championships tucked away, the Tigers are making a good start at capturing the track and baseball crowns also.

As the early season record shows, this years baseball team is heavily laden with depth and talent. Coach Mathewson has much experience to draw from and if all goes well will capture the baseball honors to go with all the others Ontario has received.

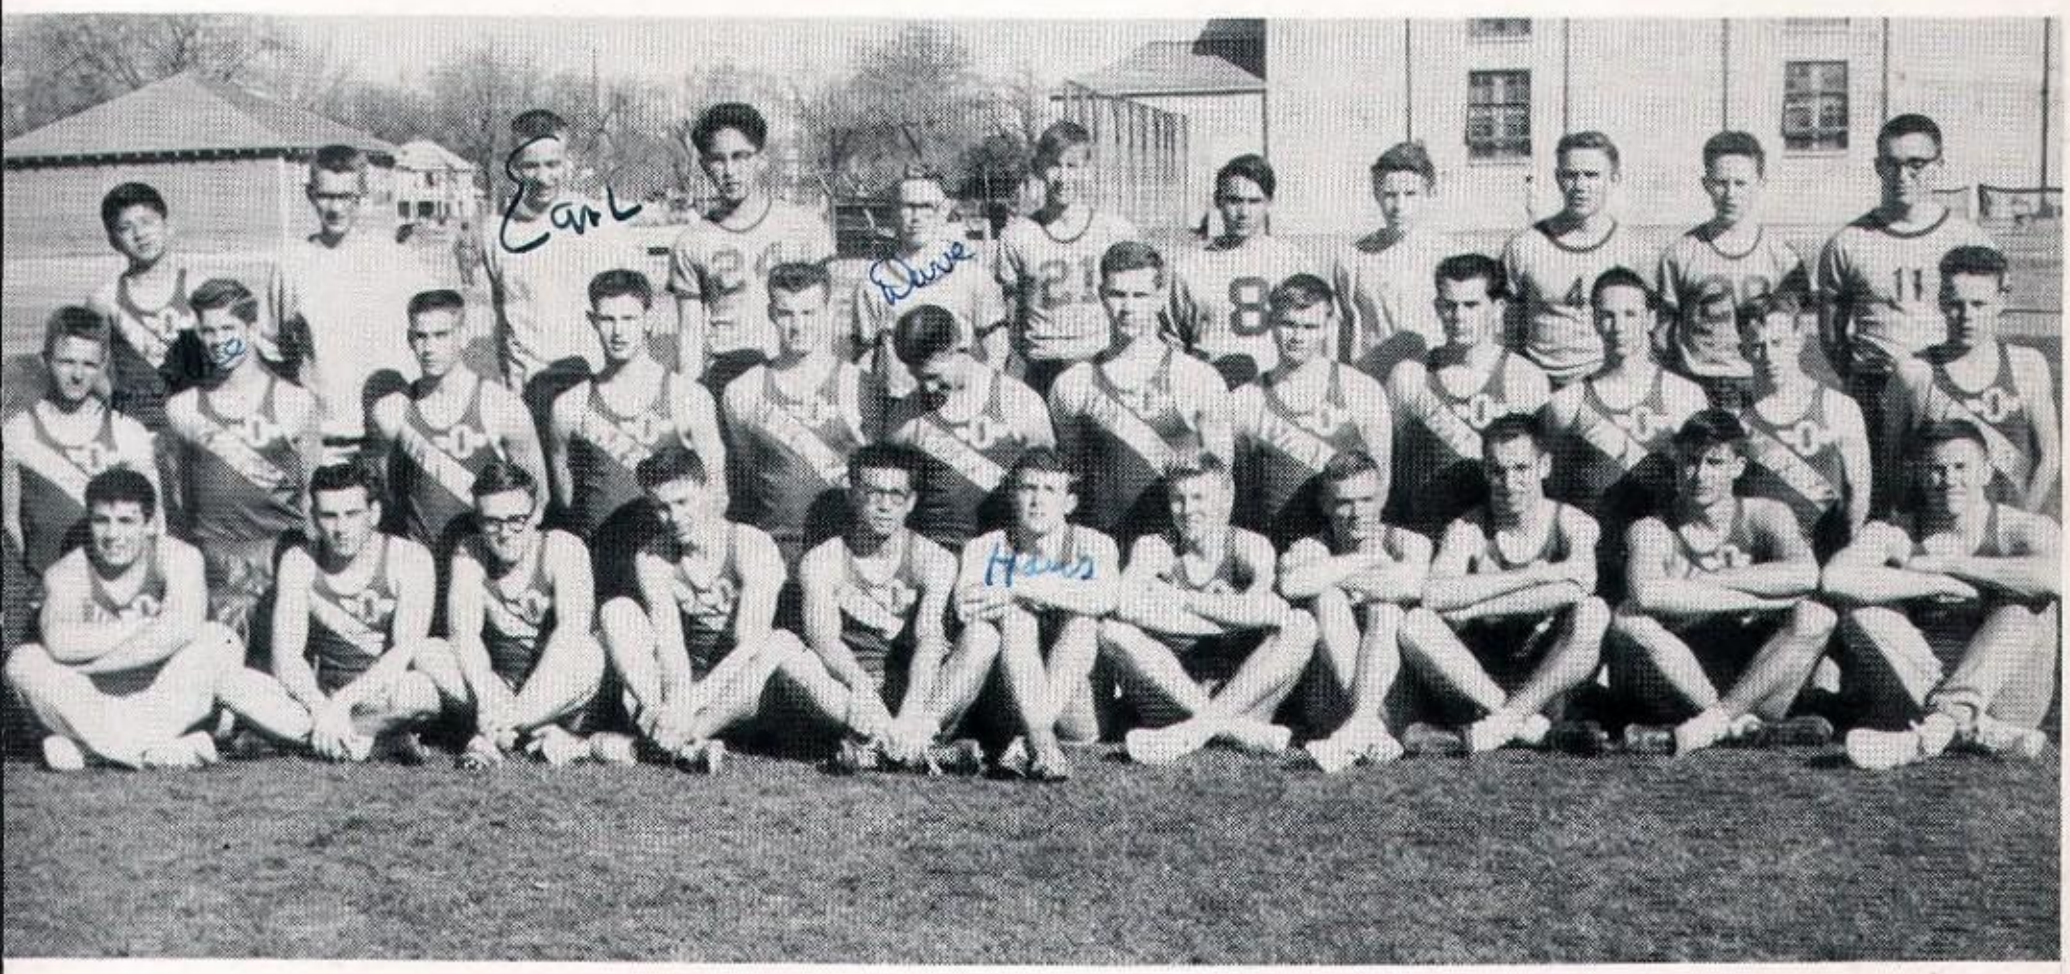
This has truly been a successful year for athletes in Ontario High School. Things started off well when the Tiger footballers won the S.R.V. Championship for the first time in eleven years. Then the basketball team took top honors again.

When this yearbook went to press the Tigers also looked very promising in the spring sports.

For the wonderful year this has been we thank our coaches: Mr. Mathewson in football and baseball; Mr. Feasal in basketball and track; Mr. Aspitarte in tennis and as an assistant; Mr. Crosby for his fine job of coaching Frosh-Soph football and baseball; and Miss Wainwright for her excellent coaching of the golf teams.

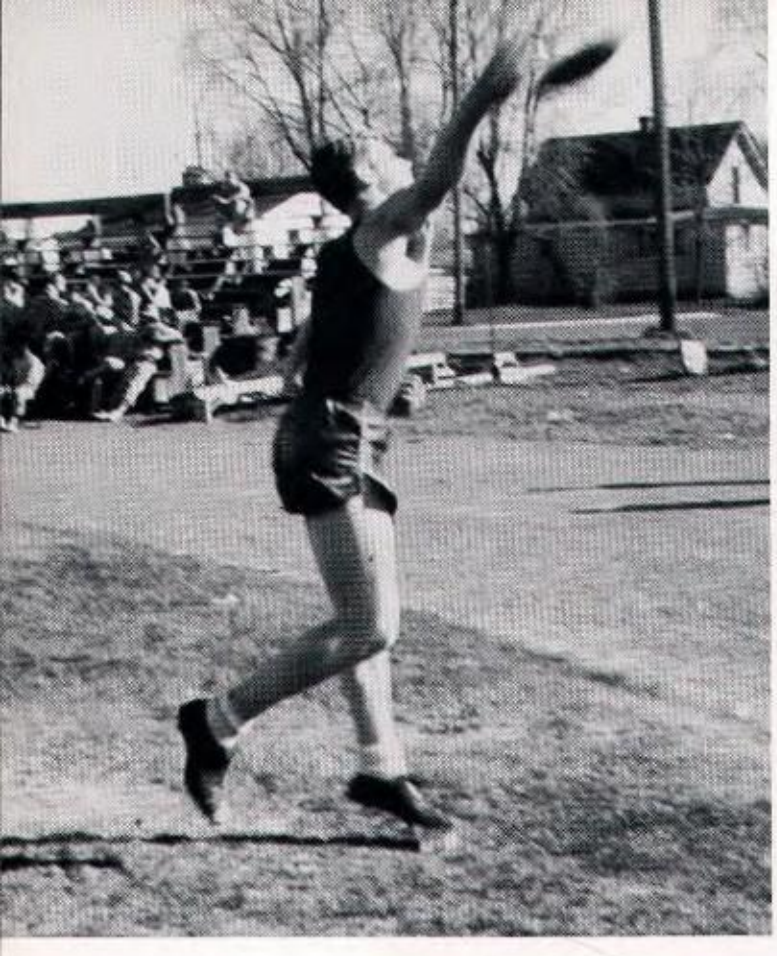
Tracksters Win Early Meets



George Koch, Art Schiemer, Larry Tuttle, Richard Anderson, Butch Ogawa, Hans Schwesig, Bob Wilks, Bill Ford, Fred Sargent, Ben Miller, Richard Horyna. Second row: Mike Diebele, Gary Roland, Doug Holladay, Robert Hale, Gary Pearson, Bruce Tuttle, Terry Baker, John Fogg, Bob Craft, Wayne Taylor, Ray Keim, Tommy Bean. Third row: Jerry Ogawa, Richard Baldwin, Earl Blackaby, Steve Murata, David Tolman, Harlan Winter, John Hawk, Neal Canaday, David Chadwick, Richard Betz, Bob Lewis.

The Ontario tracksters also show early promise of things to come. In their second meet at Nyssa they recorded 72 points to outdistance Emmett and Nyssa by over 20 points. The squad also has many veterans and the secret to Ontario's coming successes is her strength in all events.

Led by standout winners Art Schiemer, Butch Ogawa, Ben Miller, Terry Baker, and Bill Ford, Ontario's prospects look very favorable in the single events. The relays will also be strong due to Ontario's depth and experience.



Terry Baker lets go with a winning heave in the discus.

Schiemer and Hale work on form in the 880 yard relay.
